

New Easy Map Features

Easy Map can now be accessed from **RLID's Main Menu**, in addition to the Property Search results page. Here are some other added features in Easy Map:

New navigation features in the Map Viewer:

1. **Search For Taxlot or Address** box: You can search by Taxlot, Address, Owner Name and Account number.
2. **Search For Taxlot or Address** button can be found in the toolbar.
3. **I want to Menu**: A menu of shortcuts to frequently-used tools. This menu tries to anticipate what you will want to do most often.
4. Right-click anywhere on the map to open the **Map Context Menu** features.

5. Links to **Bing Maps** and **Google Maps** in the results and map tips.
6. **Map Tip:** Map tips appear when you click on a taxlot within the map. To find more information about the feature in the map tip, you can click **View Additional Details**. Click **Add To Selected** to add this property to the Selected list in your results.
 - o This replaces the **Point Identify** button, which has been removed from the toolbar.
